Horse Summer Camp 2011:

June, July, August / \$150 per student
See website for exact dates and times. Each camp is one week: Monday through Friday.

Kids learn hands-on basic horse care such as safety, feeding, grooming, behavior, shelter, and more. They learn to be confident around horses from the ground and in the saddle through fun and educational games. Children will learn responsibility and leadership skills through working in a group environment at camp.

Private Lessons:

*\$25 per student per hour.
Package Deals available.*

Beginner through intermediate riders are welcome whether you ride Western or English! Our goal is to help you fulfill your dream with horses in a safe, fun, and relaxed environment.

We have several lesson horses. You will be matched to the horse according to your riding ability for the best possible experience.

You will gain a better understanding of how to communicate with the horse from the ground and from the saddle.
